

BRING CIVIC ACTION INTO ENVIRONMENTAL EDUCATION PROGRAMS

Environmental Action Civics
2023 Train-the-Trainer Workshop

Sharpen your PD skills and learn the best model for empowering young people to improve their community.

Join Earth Force for the annual Train-the-Trainer Workshop to learn how to help educators implement Environmental Action Civics to promote student-led civic action.

You'll build your capacity to support educators in integrating student action projects into existing programming. Learn best practices to cultivate youth-adult partnerships while meeting learning goals.

If you:

- train educators to implement environmental education
- want to infuse civics into your organization's programs to help young people improve their communities
- are looking for the best facilitation techniques + ready-to-go resources

This is for you. We can't wait for you to join the community.
