JOIN OUR COURSE

UN Environment Programme (UNEP) and the Partnership for Environment and Disaster Risk Reduction (PEDRR) launched an online course: **Nature-based Solutions (NbS) for Disaster and Climate Resilience**.

- Take the course for free and receive a **UNEP certificate** upon course completion.
- Available in **8 languages**: English, French, Chinese (Mandarin), Spanish, Arabic, Hindi, Indonesian, and Portuguese (Brazil).
- Meet and interact with **environmental experts** and practitioners.
- Access **6 hours** of free learning materials, including case studies and exclusive interviews with world leaders.
- Join a growing community of practise on NbS and expand your **professional network**.
- Learn how to make a difference!

WHO CAN JOIN THE COURSE?

The course is open to everyone, especially the following groups:

- **Practitioners**: Risk reduction and climate change experts, environmental managers, NGOs, and local governments.
- **Policy Makers**: Decision makers at international, national, and local levels.
- **Engineers & Urban Planners**: Including architects, geographers, and urban designers.
- **Businesses**: Including banking, insurance, and corporate social responsibility managers.
- **Youth and Educators**: Parents, teachers, and students.
