A scenic landscape featuring a large body of water in the foreground, likely a fjord, with steep, forested mountains on the left and more distant, hazy mountains in the background. The sky is filled with soft, golden light from a setting or rising sun, with some clouds catching the light. The overall mood is serene and majestic. The text 'CLIMATE JUSTICE' is overlaid in a large, white, sans-serif font, centered horizontally and spanning across the middle of the image.
