

Following Sasquatch

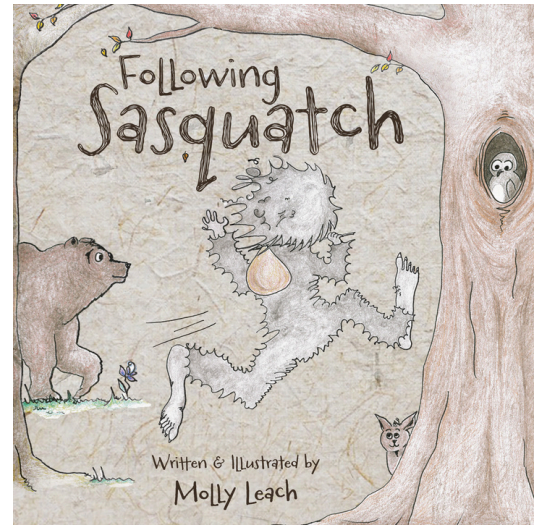

**DISCOVER THE SECRET TO
ADVENTURE: LEAVE THE
FOREST JUST AS YOU FOUND IT**

Adventure awaits as Sasquatch takes young readers on a journey through the forest's hidden trails and timeless beauty. This enchanting story combines the thrill of discovery with gentle lessons on conservation. Sasquatch shows us that adventure doesn't mean disturbing what's around us; it's about honoring it. Perfect for nature lovers and budding explorers, *Following Sasquatch* leaves readers with a lasting appreciation for the natural world and the simple act of leaving no trace.

If readers like *The Lorax* by Dr. Seuss, *Outside In* by Deborah Underwood, or *The Hike* by Alison Farrell, they'll love *Following Sasquatch*.

Molly Leach is an artist from somewhere along the road. Whether doing trail work far in the forest or writing songs up in a tree, hopping the train to see an old friend or playing music at a bar in the city, adventure is never far away. Hands rarely clean of dirt, usually barefoot, and often dancing, you will find Molly singing in the wild.

“An absolute pleasure from cover to cover, *Following Sasquatch* emphasizes the importance of kindness, respect and valuing our natural world. Important lessons for young and old alike.”
