Tuesday, March 26 - 12:00-1:30pm Eastern

Quality Redefined for Deep Curiosity & Authentic Engagement:

Tuesday, April 16 - 12:00-1:30pm Eastern

Time & Sustainability:

Tuesday, April 30 - 12:00-1:30pm Eastern

Ongoing
Journey

The eeVAL project is about building capacity and community to create more just, inclusive, and healthy partnerships, programs, and communities. In this series we will dive into the three themes through informal learning circle discussions to support culturally responsive and equitable evaluation in your program(s). We welcome educators, program designers, coordinators, evaluators, and funders with diverse perspectives and experiences to join the eeVAL network.
