

2020 CENSUS | SIS WEEK:
**EVERYONE
COUNTS!**

Diversity Collage

Directions

1. Fill in your age and the language an adult in your home would use to complete the census questionnaire. This should be the language that is used most in your home.
2. Draw a self-portrait.
3. Cut out your self-portrait and glue it to your choice of colored construction paper.
4. Write your name at the top of the construction paper.
5. Following your teacher's instructions, work with your classmates to put your self-portraits together to create your classroom's diversity collage.
