Teaching in the Outdoor Classroom Workshop

JUNE 22 – 25, 2020

All Who Teach Children are Invited to ...

- Explore innovative ways to use an outdoor classroom during this preK-12th immersion workshop held concurrently with the Summer Explorers Biology Camp for youth entering 5th and 6th grades.
- Observe professionals and apply outdoor classroom methods by leading the same youth daily, outdoors, in a supportive team teaching environment.
- Gain knowledge and real world experience in the prairie pothole ecosystem with direct carry-over to any geographic location, any age, and any season.

Benefits — For full workshop completion, each participant receives...

- Certificate for 28 clock hours and free lodging option in the on-site dormitory.
- Hands-on practice using weather monitoring equipment, field guides, field journal, and more.
- Printed copy of the [Compass to Nature](#) booklet

Register

- [Sign-up on-line](#) starting March 2, 2020.
