

OSU SUMMER SESSION

# Natural Resources Leadership Academy

Corvallis, Oregon

June 12–17 and 20–24, 2016

*Register for one week or both.*

**The premier continuing education event for natural resources professionals**

Enhance your leadership skills, expand your professional network and study with internationally renowned faculty at the nation's leading natural resources university.

**Tracks:**

- Natural Resources and Community Values
- Collaborative Governance
- Water Conflict Management
- Resilient Resource Management
- Environmental Water Transactions

*"NRLA allows me to add tools to my toolbox on how I'm going to approach a specific natural resource problem and how to communicate with different stakeholders."*

— **Tara Jane Campbell-Miranda**  
2012 NRLA participant  
Klamath Falls, Oregon
