The youth summit is an opportunity to showcase youth-led ocean solutions and entrepreneurial innovations, and to create a networking opportunity for young people to engage with leaders in policy, industry, research, government initiatives, ocean conservation and NGOs.

We invite students and young professionals (ages 18-35) who have an action-oriented ocean commitment to submit their application online before August 17th, 2018 11:59pm PST. The 200 winners will receive one complimentary guest pass to the upcoming Our Ocean, Our Legacy Youth Leadership Summit.
