Free classroom resources

Aligned to criteria for State Seal of Civic Engagement

> CEU credit available as well as LAUSD Salary Points NA-11-131

Apply online: https://tinyurl.com/TSC21LB

Starting with a 5-day summer synchronous and asynchronous session, followed by 2 additional meetings during the year, and ending in a student environmental showcase, teachers will be supported with resources and opportunities for engagement throughout the year. Content and resources will be community responsive while focusing on environmental justice strategies for equity and civic engagement for all students.
