

Wilderness First Responder Course

conducted by *NOLS Wilderness Medicine Institute*

**The Standard in Wilderness
Medicine Education**

► This 80-hour Wilderness First Responder (WFR) course is designed to provide you with the tools to make important medical and evacuation decisions in remote locations.

► Classroom lectures and demonstrations are combined with realistic scenarios where mock patients will challenge you to integrate your learning.

► Courses are taught by seasoned instructors. Learning takes place both in the classroom and in outdoor settings regardless of weather conditions.

Saturday, June 4 - Sunday, June 12
